(2) The second daughter was in receipt of a pension of Rs 18,000/- which was as usual credited in advance at the beginning of the year. When she died in November 1913, a sum of Rs 11,450/- was written back by debit to the Personal Estate Account.

In his Unofficial Note No. 1062 dated 23rd January 1925, the Comptroller has asked for orders for withdrawing a sum of Rs. 44,946-3-9 out of the pension of Rs. 80,000 of the late Maharajakumari Jayalakshammanni Avaru due for the current year which was credited to the personal estate account in July 1924. Enquiry was made of the Comptroller as to how previous cases of the kind had been dealt with and he has reported that in the cases of the second and third daughters of the second Maharajakumari, pensions due to them were paid only up to the dates of their death. I request the gracious sanction of His Highness to authorise the Comptroller to follow a similar procedure in the present case as well.
